

## FANCY FRENCH GLITTER NAILS WITH 3D ROSES

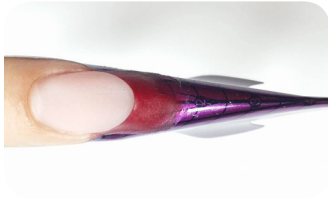

### STEP 1:

Prep the natural nail. Take a [Secrets Stiletto Nail Form](#), fold into a stiletto shape. If needed cut the hyponychium area to fit snug.

### STEP 2:

Using [Attraction Rose Blush Nail Powder](#), extend the nail plate creating an almond shaped smile line, following the lines of the form.

### STEP 3:

Apply [Secrets Shade - Don't Kiss and Tell Powder](#) on the extended free edge with [Attraction Crystal Clear Nail Powder](#) to create the stiletto, following the lines on the nail form as a guide.

### STEP 4:

Apply a thin layer of [Secrets Moondust Effects Powder - Luna](#) to give the enhancement a dusting of glitter. Then encapsulate the enhancement in [Attraction Crystal Clear Nail Powder](#), creating the apex.

### STEP 6:

File and shape the enhancement using a 150 Endurance File. Finish with the [Endurance 180/240 Buffer](#). Wipe with [NSI Cleanse](#) for a clean surface. Apply [Glaze 'n Go LED](#) in polish style strokes and cure in any full hand LED lamp for 60 seconds.

### STEP 7:

Use the [HD 3D Brush](#) to pick up a small bead of [Secrets Shade Little White Lies](#). Start creating the petals for your flower. Start at the outer petals adding petals to build the flower up towards the center, adding various sized petals to the nail until you are happy with your flower.
